

For owners of all cars\* that  
demand the ultimate in power  
and anti-knock performance,  
a dramatically improved premium  
**Mobilgas** **special**

*Especially made for\* all 1955's and recent models of Buick,  
Cadillac, Chrysler, DeSoto, Lincoln, Mercury, Oldsmobile, Packard,  
and Pontiac; combines Octane Tower refining and Mobil Power  
Compound to give smooth, knock-free power and mileage*

General Petroleum Corporation

#### Stops Knocks in Critical Cars

Owners of cars with critical knocking range, those who drive cars at the peak of their performance, and those whose cars may have become critical through faulty ignition or carburetion, will find quick relief from pinging in improved Mobilgas Special.

#### Octane Tower Refining Plus Mobil Power Compound Does It

Anti-knock rating has been boosted as a result of Octane Tower refining which also provides fast starting, quick warm-up, and new

getaway power. Mobil Power Compound keeps the engine healthy longer by freeing plugs, valves, and carburetor of gas-wasting deposits. Once again clean and efficient, the engine takes full advantage of Octane Tower refining to deliver smooth power and knock-free mileage.

THIS IS ONE OF THE 2 BEST FOR YOU. The other is entirely new grade Mobilgas, selling in the price range of regular, especially made for the 3,200,000 owners of pre-1955 Ford, Chevrolet, Plymouth, Dodge, Studebaker, Nash, and many others.
